Learning Intention: Able to use a calculator efficiently

1] How far is it for Suresh to walk from Room 3 to the Library, via the Dental Clinic?

3] After assembly in the Hall, Greg has sport on the Field. What is the shortest distance?

2] Garuth needs to go to the Dental Clinic. What is the shortest distance? Hint: there are 3 possible routes.

4] Mrs Rawlings needs to deliver a message from the Office to Room 1, 2, and 3. How far has she walked by the time she gets back to the Office?
